### WOMEN'S DAY – MARCH 8<sup>th</sup>

Within 365 days per year, the 8<sup>th</sup> of March is the day that the world celebrates an International Women's Day! On this special day women are honoured, praised with lovely cards, poems and stories. It's so happy that our students in SVIS@NT has carried out making greeting cards and writing poems and stories to their beloved ones, eps their mother, grandmother and teachers.

That love from our students has made us motivated and inspired to strive and continue our best for work to build up a strong schools and make it developed by days.

Good luck and happy to all women who are always striving to learn new things, build up a good family and maintain positive morals and qualities of Vietnamese women... Wishing all families the best with love and happiness forever.!
