CHRISTMAS CHARITY FAIR 2018

On the 21st of December 2018, students and teachers at SVIS@NT organized the great and meaningful Xmas Charity Fair at the school.

There were 32 stalls including 17 stalls of food and 15 stalls of entertainment which were run by our students and teachers.

The Christmas Fair gave the students and the community an opportunity to work and help one another for a good cause. In addition, the Charity fair helps students to learn some customer service skills. Smiling, making eye contact, and using clear, direct speech are skills kids need to develop for future activities such as student council, academic competitions, and after-school activities. The activity also shows them the significance of presentation, confidence, setting and reaching a goal, and accepting responsibility for completion.
